BILLING ADDRESS & RECOMMENDATIONS

TO FACILITATE TIMELY PAYMENT AND PREVENT INVOICE REJECTIONS, we kindly request you to:

- Ensure you are issuing the invoice to the correct DuPont Legal Entity name shown at the top of this Purchase Order.
- Address the invoice to the attention of the Accounts Payable department and NOT to the DuPont contact person which should be inside the invoice.
- Ensure the invoice matches the Purchase Order or your prior order confirmation statement.
- An invoice for delivery of goods will be issued only after the completion of the supplier's obligations under the contract or purchase order. Delivery of services is to be confirmed by the relevant DuPont individual with a Final Job Sheet. The invoice should be based on this document. Where there is a down payment required prior to delivery, a separate invoice should be raised for the down payment.
